EDUCATION BACKGROUND

FPT University Da Nang

Major: Information Technology

Expected year of graduation: 2022

CAREER OBJECTIVES

Fsoft-DaNang

Intern .Net Developer

I have learned the basics of Information Technology during my three years at FPT University DaNang. With passion I want to learn and improve my skills further in professional environments. I want to take the next step by taking on challenging projects. I want to become a Web developer (.Net) and improve my English skills everywhere. I hope to be able to join your company with internship/fresher, etc. position.

TAKEN PROJECTS SUMMARY

SCHOOL MANAGEMENT

- Programming language: C#
- Framework: .Net Winform
- Database: SQLServer
- Description: Building a school management Application that helps teachers manage students easily and helps students see their grades easily(CRUD).

WORK EXPERIENCE

I spent three years at university. Here I was taught to work in a team in all subjects, so the team spirit was built in me. At university I learned through the following languages: C, C#, Java, HTML, CSS, Js, SQLServer,...I also have experience in working with ASP. Net WebForm through my internship at Fsoft DaNang for a period of 4 months from 4/2021 to 8/2021. Besides that, I also study on f8 channel, which helps me improve my programming ability and logical thinking.
